

## SPARKLING WINE AND CHAMPAGNE

# MIENU

## DRINKS & ALCOHOL

**Raboso Rosé, Frizzante, Casa Defra, Italy** £17.50  
Italian law wont allow you to call this Pink Prosecco! It's made by a Prosecco producer in the same way as he makes his Prosecco - so you decide! Gently fizzy - not full blown!

**Prosecco, Cuvée Oro, Casa Defra** £20.00  
Spumante, Italy  
We have gone Prosecco mad in the UK, no longer is a sparkling wine for a celebration, its for anytime! This is the full blown Spumante version with lots of bubbles!

**Prosecco, Extra Dry, Borgo Molino, Italy** £5.50  
The perfect size for Prosecco – 2 glasses to share, or one large glass to enjoy! Fresh and fruity with a delightful stream of bubbles.

**Magenta, Brut, Espernay Champagne,** £32.50  
France  
This has been the “House Champagne” of our wine merchants for 35 years - needless to say its very good!
